### 1881 STORY

In the 1700s, herdsman around Herefordshire, England, discovered their cattle produced the most tender, flavorful beef fit for the kings and queens. In the early 1880s, American farmers began importing these majestic Herefords. In 1881, the American Hereford Association was formed to unite local ranchers in an effort to raise the highest quality cattle. Today our beef is drawn from a handful of these farms across Minnesota.
