\$7 EACH

LEMON-BERRY MASCARPONE CAKE

Two layers of moist cream cake with cranberries, blueberries and cinnamon streusel, baked into each cake then filled with fruit and lemon mascarpone cream.

FLOURLESS CHOCOLATE TORTE

A blend of 4 chocolates make this torte delectable. A ganache topping makes it sinful. And, flourless makes it Gluten free.

NEW YORK STYLE CHEESECAKE

Dense, ultra rich and oh so satisfying. Made like a New York deli would, this creamy goodness sits in a graham cracker crust with caramel drizzle.
